Happy #WorldEnvironmentDay 🌍  
 Some ideas to help you celebrate this special day:  
 Make a difference to #BeatAirPollution 😊 such as planting a tree 🌲 / commute without polluting 🚲 / refuse #singleuseplastic 🚫

And, watch the wonderful documentary, "Trees, Youth, our Future", produced by Eastern Ontario Model Forest our #ModelForestoftheMonth 📺 bit.ly/2QJBB1y (video in 2 parts)  
 Happy #WorldEnvironmentDay!

Vous cherchez quelque chose de spécial à faire aujourd'hui pour célébrer la Journée mondiale de l'environnement 🌍?  
 Faites une action pour combattre la pollution de l'air 😊 comme: planter un arbre 🌲 / prendre le vélo plutôt que la voiture 🚗 / refuser le plastique à usage unique 🚫  
 Et regardez le documentaire "Trees, Youth, our Future" produit par la Forêt Modèle de l'Est de l'Ontario, notre #ForêtModèle du Mois! 📺 bit.ly/2QJBB1y (documentaire en 2 parties, en anglais seulement)  
 Bonne Journée mondiale de l'environnement!

Está buscando como celebrar el Día Mundial del Medio Ambiente 🌍?  
 Únase a la lucha contra la contaminación del aire 😊 siembra un árbol 🌲 / use la bicicleta en vez del carro 🚗 / dígame NO al plástico de un solo uso! 🚫  
 Y mire el documental "Trees, Youth, our Future", producido por el Bosque Modelo Eastern Ontario, nuestro #BosqueModelodelMes! 📺 bit.ly/2QJBB1y (documental en 2 partes, en inglés)  
 Feliz Día Mundial del Medio Ambiente!

## Technical assistance for resource mobilization

Led in the development of 2 project proposals:

- Improving Wildland Fire Management in Costa Rica using Model Forests as test sites – *successful*
- Expert Deployment Mechanism for Natural Resource Management and Climate Action - *unsuccessful*

## Looking ahead

The Model Forest concept remains as relevant, if not more, than ever before.

- Strategic renewal of Secretariat priorities
- Technical support, membership, international outreach and communications, resource mobilization: representing the network as a whole
- International partnerships

Thank you!
